Dear President Hite:

This year marks another one of the many shining moments in International Union of Painters and Allied Trades history; the grand opening of our new campus and international headquarters. Today, the leadership and departments of this great union operate side by side in new, state-of-the-art facilities and that is in no small part due to the work of your members in the construction of this campus. The W.E. Bowers team, led by Richard Walsh, did their part to not only get the job done with pride of workmanship, but they did so on time and on budget.

The professionalism, skill and dedication shown by the UA men and women who worked on our new facilities are a direct reflection of what you put into your job every day. On behalf of the men and women of the International Union of Painters and Allied Trades, please accept my heartfelt thanks for your support over the years and please tell the members and employers of UA Local Union 5 that the IUPAT thanks them for their hard work on our new home.

Sincerely and fraternally,

James A. Williams
General President
